MILLS

TO LET

ACCESSIBLE, ADAPTABLE, AFFORDABLE, HIGH QUALITY OFFICE SPACE

ILKLEY ROAD, OTLEY LS21 3JP

This iconic historic textile mill complex, sited on the River Wharfe on the outskirts of Otley, was converted to office and workshop space by the former mill owning family towards the end of the last century. It is currently undergoing an extensive refurbishment process, since changing ownership in December 2016.

Wharfebank Mills

This idyllic and picturesque riverside mill complex is home to a diverse range of small and medium enterprises, with offices to let from 200 square feet to 8,500 square feet.

But don't let its quiet and semi rural location fool you. Far from being a backwater, Wharfebank Mills is only a 'stone's throw' from Leeds, Bradford and Harrogate. And is only minutes away from major road and rail networks.

With superfast MIA Internet Connectivity throughout, Wharfebank Mills can boast up and download speeds (from 100Mg) as fast as anything available in the cities.

Location

On the A65 just outside Otley, Wharfebank Mills is only 13 miles from Leeds City Centre, 10 miles from Bradford, 13 miles from Harrogate and less than 5 miles from Leeds Bradford Airport.

The A1(M) and the M62 are also quickly and easily accessible.

A regular rail service links Otley with Leeds, Bradford and Ilkley through Menston railway station and a regular local bus service stops outside Wharfebank Mills.

Local amenities in town are only a 15 minute walk away and Waitrose is just round the corner.
